MOLDOVA DIGITAL SUMMIT 2026

INVITATION TO JOIN THE INTERNATIONAL BUSINESS DELEGATION AT MDS 2026

Esteemed Mr./Mrs.,

Under the patronage of the **Government of the Republic of Moldova** and the **Ministry of Economic Development and Digitalization**, we are honored to invite you to join the **International Delegation of leaders and companies** attending **Moldova Digital Summit 2026**, taking place on **June 5–6, 2026**, at **Chișinău Arena**.

Moldova Digital Summit is the flagship platform for digital transformation and innovation in the region — bringing together technology leaders, policymakers, investors, and international partners to accelerate digital growth and strengthen Moldova's integration into the European digital ecosystem.

This year's theme, **"Where Digital Vision Meets European Ambition,"** reflects a clear national direction: leveraging technology as a driver for economic growth, investment attraction, and European alignment.

SUMMIT FOCUS & STRATEGIC AGENDA

Moldova Digital Summit is designed as a high-level engagement platform, where public leadership, private sector expertise, and international capital converge.

The 2026 agenda is structured around three key pillars:

- **Digital Government & European Integration**

Advancing one of the region's most dynamic e-governance ecosystems, with 77% of public services digitalized, and the rollout of new initiatives such as the **EU Digital Identity Wallet**, aligned with European frameworks.

- **Business, Investment & Innovation**

A fast-growing **tech sector exceeding \$1 billion in aggregated turnover**, driven by exports and global integration, positioning Moldova as a competitive and scalable environment for international companies and investors.
